# HOME OF THE FORT WAYNE KOMETS

## MEMORIAL COLISEUM

This magnificent edifice, formally dedicated in August, 1952, as a living memorial to the servicemen of Allen County, has through its excellent accommodations, enabled Fort Wayne to become one of the sports and entertainment capitals of the midwest. Thanks to the facilities of the Allen County Memorial Coliseum, ice hockey has at last become a reality in Fort Wayne.

## COLISEUM ICE RINK

In playing host to member teams of the International Hockey League, the Fort Wayne Komets perform on one of the finest ice rinks in the nation. Comfortable, beautifully lighted, it offers spectators in every corner of the arena an exceptional view of the spill-a-minute, thrill-a-minute action that is professional ice hockey.

# It's a Grand Game for FORT WAYNE

*and Fort Wayne Welcomes it!*

"It is with a sense of satisfaction and achievement that we present the Fort Wayne Komets, Fort Wayne's first recognized ice hockey team. We feel that we have one of the most promising teams in the country . . . a young, hustling hockey team that, even in its first year, will be a great credit to Fort Wayne in the highly-competitive International Hockey League."

Harold Van Orman, Jr.  
President  
Fort Wayne Enterprises, Inc.

"We are highly gratified at the tremendous acceptance and support you fans have given the Komets during the early stages of our first season. We anticipate your continued support throughout the balance of our schedule because we promise to bring you ice hockey at its very fastest and finest."

E. M. Berg  
General Manager  
Fort Wayne Enterprises, Inc.

"We of the Coliseum staff are proud to play host to the Fort Wayne Komets. Based upon our own observations and upon the reports of visiting players, coaches and officials, we feel that the Coliseum ice hockey facilities are among the very finest in the nation."

# It's Fort Wayne's FASTEST GROWING SPORT

In the few short weeks since its debut here, ice hockey has captured the interest and imagination of area sports fans as no other sport has ever done. Its swiftly-paced, colorful, crammed full of spine tingling action . . . a sport where only the most rugged competitors excel.

**HERE'S ONE of the REASONS WHY!**

Typical of the bruising, "ask-no-quarter-give-no-quarter" spirit in the International Hockey League.

## WHAT YOU SHOULD KNOW

ABOUT THE WORLD'S FASTEST SPORT

### *Hockey Rules Simplified*

#### SCORING

When the puck is put fairly into the goal by means of the stick or if it should carom off any part of a defending player, a goal is scored. The duration of a match is 60 minutes, divided into three periods of 20 minutes each. Rest periods of ten minutes are allowed between the playing periods.

#### STOPPING THE PUCK

A goal-keeper may stop the puck in any way he chooses, but he must not throw it forward.

#### FALLING ON PUCK

No defending player, except the goal keeper, shall be permitted to fall on the puck when the puck is within the goal crease. For infringement of this rule, play shall be immediately stopped and a penalty shot shall be ordered.

#### THE PENALTY BENCH

Each rink must be provided with a bench capable of seating eight persons, for the

use of penalty timekeeper, timekeeper, scorer and penalized players.

#### TIMING DEVICES

Each rink must be provided with a gong or other suitable sound device for the use of timekeepers. Each rink must be provided with some form of electrical clock in order that spectators, players and officials will be properly informed as to the time element at all stages of the game.

# HOCKEY PENALTIES

## Minors — Two Minutes

- Holding puck with hands or gloves
- Holding an opponent in any way
- Tripping, charging, loafing, interference
- Deliberately shooting puck outside of playing surface, cross-checking, hooking
- Second offense for interfering with face-off
- Player substituting for other player too soon, anti-defense delaying the game
- Player moving out of position on penalty face-off
- Fighting—if not the aggressor, carrying high stick
- Body-checking into boards (optional)
- Returning to ice before penalty is up

## Majors — Five Minutes

- Tripping or holding an opponent to prevent score
- Charging from behind
- Cross-checking or charging goal keeper
- Throwing stick in defending or neutral zone
- Violently body-checking into the boards
- Injury by cross-checking or hooking
- Starting a fight
- Carrying high stick which results in injury to opponent

Second Major, ten minutes — Third Major, balance of game

## Misconduct — Ten Minutes

(Substitute allowed)

## Match — Balance of Game

- Deliberately injuring an opponent. Substitute allowed after twenty minutes
- Attempting to injure an opponent, official or spectator. Substitute allowed
- Kicking or attempting to kick an opponent. Substitute allowed after five minutes
- Interference with officials. Substitute allowed
- Any manager or coach who holds or strikes an official shall be suspended from the game

# OFFICIAL'S SIGNALS

## SLOW WHISTLE

When the play enters the attacking zone and is offside, the linesman shall raise his arm (with the whistle) above his head immediately to indicate to all that it is offside. If the puck is cleanly intercepted by the opposition, then the whistle will not be blown and the arm lowered when the puck is carried out of the attacking zone.

## NO INFRACTION

If the "icing the puck" rule is not broken, i.e., if in the opinion of the linesman a player of the opposing team is able to play the puck before it passes his goal line but does not do so, the linesman signals "no infraction" by extending palms of hands horizontal to the ice.

## ICING PUCK

If both teams are at equal strength and a player of the defending side has shot the puck from his own half of the rink beyond the goal line of the opposing team, "icing the puck" shall be signaled by the linesman after the puck is touched by a member of the opposing team by folding the arms across the chest momentarily after blowing the whistle. The other linesman will signal when the puck has crossed the goal line by raising either arm above his shoulders. The two linesmen cooperate on this play and it can be called by either one.

## OFFSIDE

For an "intentional" offside either linesman shall signal the decision to the teams and spectators by extending either arm at full length straight in front of the body (with fist closed) immediately after blowing the whistle to stop play. The puck is then moved back for a face-off five feet inside the offending team's zone.

## ALEX WOOD, Manager

Alexander McIntosh Mann Wood was born in Falkirk, Scotland, January 10, 1909, although when only six months old, he was moved to Ottawa. Like most youngsters in Canada, Alex played through midget, juvenile and junior hockey leagues, until in 1929, he was sold to the Chicago Blackhawks. A great goaltender, he performed during his playing days with Cleveland, Boston, Philadelphia, Buffalo, Minneapolis, St. Louis and New Haven. As a professional, he was a member of four All-Star Teams. Since turning coach, he has compiled an equally brilliant record, and in 1951, guided the Toledo Mercurys to a National Open championship.

**JACK TIMMINS**  
Capt., Forward

Birthplace, Ottawa, Ontario. Junior hockey player in the Ontario Hockey Association, and also played in the Northern Ontario League. Prior to entering the service, where he spent five years with the Royal Air Force, Timmins was the property of the Detroit Red Wings. Was with the Toledo Mercurys for three years, and captained the Toledo squad when it won the National Open Championship in 1951. Now captain of the Komets. Age 29, 5' 11", 190 pounds, married with two sons, nine and three years old.

**JACK SIEMAN**  
Goalie

A native of Kitchener, Ontario. Competed in junior hockey play with the Ontario Hockey Association. Before joining the Komets, Sieman played senior hockey for two years with the Perth, Scotland, team. Age 23, 5' 8", 165 pounds, married.

**PAUL JAGO**  
Forward

Jago was born in Iroquois Falls, Ontario. As a junior player, he participated in the Ontario Hockey Association. Played senior hockey with Washington in the Eastern League. Age 20, 5' 7", 150 pounds, unmarried.

**ED BARBER**  
Forward

Born in Thorald, Ontario. Played junior league hockey with St. Catherine's in the Ontario Hockey Association, and senior hockey with Stratford in the same association. Played with Johnstown, Pa., in the Eastern League, and two years with Grand Rapids in the International League. Age 24, 5' 7", 175 pounds, unmarried.

**DOUG HOUSTON**  
Forward

Born in Peterboro, Ontario. Junior player in the Ontario Hockey Association. Played with Atlantic City in the Eastern Amateur League, and for two years with Troy in the International League. Age 23, 5' 9", 155 pounds, unmarried.

**GEORGE DRYSDALE**  
Forward

Birthplace, Toronto. Played junior hockey in Ontario Hockey Association. For several years, Drysdale was a touring hockey player on the European continent, played with Chatham in the International League before coming to Fort Wayne. Age 25, 5' 11", 180 pounds, married.

*Ed Calhoun*

**VIC DEMARCO** *Forward*

Born in Lakeview, Ontario. Played in Canadian junior hockey leagues—with Toronto Hockey League, Ontario Hockey League, Maritime Hockey League, and with Toledo in the International Hockey League before joining the Komets. Age 22, 5' 8", 160 pounds, unmarried.

*Ed Long*

**ED LONG** *Forward*

19-year-old Ed Long was born in Ottawa, Ontario. Prior to joining the Komets in the International League, he starred as a junior hockey player in the Ontario Hockey Association. Long is 5' 7", 155 pounds, single.

*Len Wharton*

**LEN WHARTON** *Defense*

Born in Winnipeg, Manitoba. Played junior hockey with Manitoba, and in the Ontario Hockey Association. Wharton played a portion of a season with the New York Rangers, then two years with New York in the Eastern League. Also played with San Diego in Pacific League and with Louisville in the International League. Was with Toledo three years before joining the Komets. Age 25, 6' 1", 190 pounds, married.

*Mike Buchanan*

**MIKE BUCHANAN** *Forward*

Like his twin brother, Neal, Mike Buchanan was born 20 years ago in Ottawa. Before coming to Fort Wayne, he played junior hockey in the Ontario Hockey Association. He is 5' 11", 185 pounds, and single.

**JOHN BELISLE** *Forward, Defense*

A native of Cochrane, Ontario. Junior hockey player in the Ontario Hockey Association. Played in the Timmins League, and for two years with Troy in the International League. Age 24, 5' 11", 180 pounds, married with two daughters, age one and two.

*John Paul Belisle*

**NEAL BUCHANAN** *Forward*

## ICING THE PUCK

Icing the Puck means deliberately shooting or driving the puck from a player's defensive half of the rink across the goal line.

In Icing the Puck when your team is at equal or superior strength, a face-off at the opposite end of the rink will occur when the "Iced Puck" is picked up by an off-side player or an opposing player except goal keeper. An "On-Side" player is eligible to go down the ice and pick up an "Iced Puck".

If, when Icing the Puck, the defending goal keeper touches the puck or the puck touches the goal keeper, the puck is in play.

An off-side player is one who is in the zone ahead of the player shooting or driving the puck. At the time puck is shot, an on-side player is one who is in the same zone or in back of the player driving or shooting the puck.

If, in an attempt to Ice the Puck, the puck enters the goal, a goal is scored.

If a team is playing with one or two men short, they may Ice the Puck and have one of their own players pick it up if he is on-side. If the player picking up puck is off-side, a face-off will be held in team's defensive zone. If, with a team short one or two men and the Puck is Iced, the puck will continue in play if picked up by opposing players.

If, when Icing the Puck, the puck accidentally strikes the equipment or the person of an opposing player, it will continue in play and is not considered Icing the Puck.

## OFF SIDES RULING

If an offensive player crosses the blue line into Attacking Zone and is in the Attacking Zone at the time the puck crosses the blue line, he shall be deemed Off-Sides.

In determining player's position on Off-Sides, the position of his skates shall determine same. If one skate is over the blue line ahead of the puck, he will be adjudged Off-Sides. If player's arms or stick extends over the blue line and both his skates remain behind the blue line, it shall not be determined Off-Sides.

If a team is adjudged Off-Sides, a face-off will take place at the face-off spots near the blue line going into the attacking zone. However, if the Off-Sides is deemed intentional by the officials, the face-off will take place at the face-off spots at the opposite end of the rink.

## Interesting Facts

### ABOUT THE INTERNATIONAL HOCKEY LEAGUE

From humble beginnings, the International Hockey League has grown to a position where it ranks among the best of the Senior Open Leagues. It was originally conceived in 1945 as an outgrowth of the Windsor, Ontario, City League, and today has progressed to a point where it is true inter-city competition on a high level.

The Toledo "Mercurys" have won the International League play-off championship for the past two seasons, thus winning the Joseph Turner Memorial. Turner, formerly a star Canadian player, was killed in action during World War II. Other team and individual trophies awarded in the League are the J. P. McGuire Trophy for the team finishing in first place during the season; The George H. Wilkinson Trophy to the league's individual point scorer; The James Gatschene Trophy to the player selected as most valuable to his team and as representative of the best sportsmanlike play in the Northern Division.

George Drysdale, currently a forward with the Komets, was named a member of the 1951-52 International League All-Star team at right wing position as a member of the Chatham team.

George Parker, left wing for the Grand Rapids Rockets, topped the League in both goals and total points during the past season, while Grand Rapids Doug Coxon was named leading goal keeper.

Both Harold Van Orman and E. N. Berg, officers of Fort Wayne Enterprises, Inc., are members of the Board of Governors of the International League.

# It Pays to Make Your RESERVATIONS EARLY!

This great game of ice hockey has caught on with you Fort Wayne area sports fans to a degree that leaves no doubt that it is the one "big time" sport that has a universal following among folks of all tastes and ages.

Frankly, at the start of the season we were somewhat unprepared for the overwhelming reception that has been given the Fort Wayne Komets. Ticket demands became so heavy that our box office facilities were engulfed, with the result that some fans were caused unfortunate delay and inconvenience on game nights.

Now, we have corrected this condition by opening a full-time, daily hockey box office at the Parnell Avenue entrance to the Coliseum, in addition to our downtown office on the mezzanine of the Hotel Van Orman. We strongly urge everybody who plans to attend a Komets game to make his advance ticket reservation at the Coliseum office. Simply call E-7361 or A-6149 for reservations. We will have your tickets ready and waiting for you well in advance of the game—no delay, no parking problems. For your convenience, the Coliseum office will be open seven days a week, from 10:00 a.m. to 5:00 p.m. Of course, if you're planning to come downtown, you can still make reservations by calling E-3442, and pick your tickets up at the Hotel Van Orman mezzanine office.
